IN EFFECT SINCE 2026/10/3

Adds complaint-handling commitments: acknowledgement within 7 days, resolution within 28 days (extendable once to 56 days).

I About FIATX

FIATX Financial Services Ltd is a virtual asset service provider licensed in Dubai by the Virtual Assets Regulatory Authority ("VARA") as a Category 2 VASP. The services described in these terms are provided under VARA Rulebook authorisation, and are governed exclusively by the laws of the Dubai International Financial Centre and the supervision of VARA.

By opening an individual account, you are entering into a contract with FIATX. These terms, together with the Privacy Notice that appears as Part II of this document, form the entire agreement between you and us.

II Eligibility & Identity Verification

You must be at least 21 years of age, a natural person acting on your own behalf, and not a resident of a sanctioned jurisdiction. We may decline any application at our sole discretion, including in response to risk signals from our sanctions and adverse-media screening providers.

Customer due diligence is performed under VARA Compliance and Risk Management Rulebook Part D. Level-1 verification is required for every account; Level-2 (enhanced due diligence) is required for politically exposed persons, large inbound transfers, and accounts flagged by our risk engine.

III Accepted Activities

You may use FIATX to: (a) convert UAE dirhams into supported virtual assets and back, (b) hold balances in the safeguarded client-asset account, and (c) instruct on-chain and domestic IBAN payouts subject to our travel-rule and sanctions-screening procedures.

You may not use FIATX to: (a) move funds for any third party, (b) structure transactions to avoid reporting thresholds, (c) interact with services appearing on the OFAC, EU or UN consolidated sanctions lists, or (d) any activity prohibited by the FATF Recommendations.

IV Fees, Settlement & Client Money

All applicable fees and spreads are published on our fee schedule and are updated with 30 days' written notice. Settlement windows for dirham-denominated transactions are intraday (T+0) subject to UAE banking cut-off times.

Client money is held under segregated safeguarding arrangements at VARA-approved banking partners. Daily reconciliation and monthly statement warehousing are performed under CRM Rulebook Part F. We do not rehypothecate client assets.

V Liability & Dispute Resolution

Our liability to you is limited to direct losses caused by our own negligence or wilful default. We are not liable for losses arising from price movement, third-party custodians, network outages, or instructions we execute in accordance with your account authentication.

Disputes are resolved through the VARA complaints procedure followed by arbitration under the DIFC-LCIA Arbitration Rules, seated in Dubai, conducted in English. Nothing in this clause limits your statutory rights under UAE federal consumer protection law.

Complaints submitted through the in-app complaints channel are acknowledged within seven (7) days and resolved within twenty-eight (28) days, extendable once to fifty-six (56) days for complex cases. You will be notified of the outcome in writing.

VI Privacy & Data Protection

Personal data is processed under the UAE Federal Personal Data Protection Law (PDPL) and CRM Rulebook Part E. Lawful bases for processing are: (i) performance of this contract, (ii) compliance with our regulatory obligations as a VASP, and (iii) legitimate interests in preventing financial crime.

Categories of data collected: identity documents, biometric data (liveness video), transaction metadata, device and IP data, and communications with our support team. We retain these

records for eight years after the end of our relationship, as required by the CRM Rulebook.

Your rights: access, rectification, erasure (subject to retention obligations), portability, and objection to processing not based on consent. Data subject requests are handled by our Data Protection Officer at dpo@fiatx.ae within 30 days.

VII How to Contact Us
